In the last newsletter, I asked if anyone had information about the above photos. Thanks to long time member Larry Sorgen, we have the info, the photos were taken in the early 1980s at a Turkey Shoot Fund Raiser to build the range we all now use. The location was in Union County, on Hwy 76, near Bowling Gap. The gentleman featured in the left photo is Gerald Long and the right is John Brandt. Lever Action Silhouette

Fun Match on December 1st

We were there, but the rain just kept coming down and down, and the temperature was dropping almost as fast as the rain. The 5 of us there considered the fun match we wanted was in our warm dry homes. Sometimes it is not worth the discomfort of slogging around in the cold water puddles. We may try the Lever Action Fun Match in March of 2019. The regular NRA matches will start again on April 13, 2019.

The new roof on the range, great job Josh, thanks!

Did Santa bring you a new gun for Christmas? If so, here is a reminder for when you take it to the range to test it out.

When you put targets on the target stands, please put them in the center, not on the edge where the 2 by 4 frame could get hit with rounds. It takes a lot of time to repair and build new target stands. Help Keith out by taking the time to put your paper target in the center of the target stands. Also **never** hang clay birds on the corners of the target stands.

If you need to check the pattern of a shotgun, please use the target stands and the pattering paper available at the range, in the following manner. Do not shoot directly at a target stand.

Don't leave it to the last minute, you can mail in your 2019 dues, \$35.00, to Chatuge Gun Club, P.O. Box 86, Hiawassee, GA 30546
