Airgun

January 4th will be the first of 6 Airgun Matches. If you have been to a match, then you know how much fun it is. If you have not been to a match, then plan to come out and join us. If you don't have an airgun, don't worry, someone will be glad to loan you one. We shoot both rifle and pistol, come join in the fun. The matches are held indoors, so no worry about the winter temperatures. Read the [details here](#).

Steel Plate Match held on November 29th

The morning started out cold, but after the sun came out, layers of clothes were being shed. We had 16 shooters for the rimfire and 10 for centerfire. Steel Plate is a fun match with instant feedback as the plates fall off the rails or not. If you missed this match, try to make the next one. Cowboy Action on November 15

It went down something like this. We started showing up at a temp somewhere around the lower 30's. Seven Cowboys made it and just waited around shooting some Bull for about an hour and a half and decided that it was going to be very cold to do what we wanted to do. Most of us shot on down to the Huddle House in Hiawassee for more breakfast.

3 Gun Match on November 22

The day started out on the chilly side. Eleven shooters showed up and a fun day was had by all.
