STEEL PLATE PISTOL MATCH ~ 11-14-15

A total of 8 competitors came out to shoot. 8 competitors shot rimfire pistols in the morning and 5 competitors shot center fire pistols in the afternoon. The steel plates are setup on steel rails at 15 yards for rimfire and 20 yards for centerfire. The match consisted of two stages, with stage one being an accuracy / timed event. The shooter had 6 steel plates on 2x4 post at different heights, the six target shooting tree, and single IDPA target that allowed the best of two hits for bonus time (head shots @ 5 sec ea., body shots @ 1 sec ea.) with ten rounds per magazine, (unlimited magazines allowed). Any steel plate not hit, or shooting tree branch not flipped increased the shooters time by 5 seconds each. Stage 2 was a timed event that consisted of 10 steel plates set on two steel rails, a spinner target, and a bonus (dual steel plate) at 45 yards. The stage allowed the shooter unlimited magazines loaded with 10 rounds of ammo. Any steel plate standing increased the shooters time by 5 seconds each. If the shooter did not attempt the spinner it added 30 seconds to the time. If the shooter shot at least three shots at the

spinner but did not spin it a 20 second penalty was added to the time. The shooter must hit the two bonus plates to receive a 10 sec bonus time. The shooter had the option to attempt the bonus plate or not with no penalty. For center fire Stage 1 was the same setup. Stage 2 removed the spinner target. The steel plate count was increased to 15 total (5 per rail, with a rail added at 25 yards), and a dual plate hanging target at 50 yards. The shooter must hit the two bonus plates to receive a 10 sec bonus time. The shooter had the option to attempt the bonus plate or not with no penalty.

Thanks to all who came out and shot. The steel plate match is fun in that it provides instant feedback to the shooter as the steel plates fall off the rails or not.

Please review the Match Results on the Chatuge Gun Club web page for match winners.

If you missed this match, your next opportunity is Feb 13th, 2016. **Jerome Schreiber**

HANDGUN MATCH 11/21/15

The day started a little chilly, then warmed up slightly. A total of 10 shooters came out. The handgun match is a multi-discipline shoot. It consists of two stages. Please review the Match Results on the Chatuge Gun Club web page for match winners.

Stage 1 is center fire only, shooting at a 25 yard bullseye target placed at 20 yards. The shooter has 20 seconds to complete the stage. The stage allows any center fire handgun and optics. For example; Revolver with Iron sight (Stock Class), Revolver with scope (Open Class), Semi-Auto with Iron Sight (Stock Class), Semi-Auto with scope (Open Class). Revolvers and Semi-Auto are required to shoot 5 rounds at the target. The target score becomes a bonus time that is subtracted from the shooters stage 2 time.

Stage 2 is rim fire only, timed, shooting at 5 IDPA paper targets (requires 2 shots per target) and a Hostage (hitting the hostage is a 10 second penalty, followed by 10 steel plates, followed by 10 bowling pins. The stage allows any rim fire handgun and optics. Any missed IDPA target or steel plate / bowling pin left standing is a 5 second penalty each. Unlimited ammo is allowed. Stage 1 time is subtracted from the stage 2 time for the overall time.

The handgun match allows shooting time with many different handguns, and is a challenge for all. A clean shoot on stage 1 can overcome a high shoot time on stage 2, so the outcome of a match is unpredictable. If you missed this match you have time to practice and be ready for the next match scheduled for December 19, 2015.

Thanks to all who came out for the match. Special thanks to all who help with setting up and tear down of the stages.

SUB-COMPACT PISTOL CLINIC - NOVEMBER 28, 2015

First of all, thank you to everyone who assisted in our clinic on November 28th. Without your help, it would be very difficult in conducting this event. Hopefully everyone enjoyed the clinic and had a good time.

The list of shooters shows that we accomplished our objective and had some shooters who we

had not seen before. It was especially pleasing to see the young man shooting. We need to have more of the younger people join us.

We are planning a couple more clinics next Summer. If anyone has any suggestions on how we can improve the clinics, please let us know. We may or may not follow your suggestions but at least we will listen. [Link to more photos on website.](#)
