Saturday October 25th was a nice day at the range for the last Smallbore Silhouette match of the year. There were 13 shooters. One first time shooter and she did a great job. Smallbore Silhouette is a fun day, that often becomes addictive. If you have not been to one of the matches, and you enjoy .22 caliber shooting, plan to come out to a match next year. If you want to give it a try, you will be welcome. To see more photos and the results, [click here.](#)
