## Silent Guns

Thurmon T. Carlyle, a member of the Chatuge Gun Club since 1986 passed away 17 February at age 91.

Any older members that spent time at the range probably remember Thurmon and his signature quiet statement "hey, Look at what I found" as he produces some rare and collectable firearm. A competitor up into his late '80's this gentleman didn't miss very much going on at the range if it involved shootin'.

Thurmon will be missed by all that had the privilege of knowing him and the condolences of the Chatuge Gun Club go out to all Thurmon's family and grandkids.

*Adieu my friend.*

## Shootist Award Shoot-Off

Art Douville

In 2006, Ed Jones promoted the idea of an annual Shootist Award, to be presented to the Chatuge Gun Club member who earned the most points by both participating in and winning the monthly shooting matches. The award provides incentive for the members to compete in these matches. Since then, the Shootist award has been presented 6 times to 5 different members and, as anticipated, match participation has grown. Some venues have drawn up to 25 competitors shooting multiple classes.

The one thing the past winners enjoy more than winning the Shootist Award is competing for it. It was with that thought in mind, I proposed, and the membership approved, the addition of a shoot-off to determine the annual Shootist Award winner.

The shoot-off will comprise several different matches designed to challenge the shooter across a broad range of firearms and skill sets; including Cowboy Silhouette, Bowling Pin, Defensive Pistol, Trap, Across-The-Course, Bullseye and Benchrest. The different shooting disciplines will test the shooter's accuracy and speed at varying distances, using both rimfire and centerfire rifles, pistols and shotgun. The total points of all matches will determine the 2012 Shootist Award winner.

Shoot-off competitors will be the top 10 shootist point finishers as of March 31, 2013. Additionally, 3 alternates will be named in the event a top 10 finisher is unable to compete. Event rules and details will be released in April, with the shoot-off scheduled for May 18, 2013.

Presently, the last two opportunities to win Shootist award points are March 9<sup>th</sup> and 23<sup>rd</sup>. Check the Chatuge Gun Club's Event Calendar on its website for details. The following list to the right indicates the top 15 shootist point finishers as of January 31, 2013.
